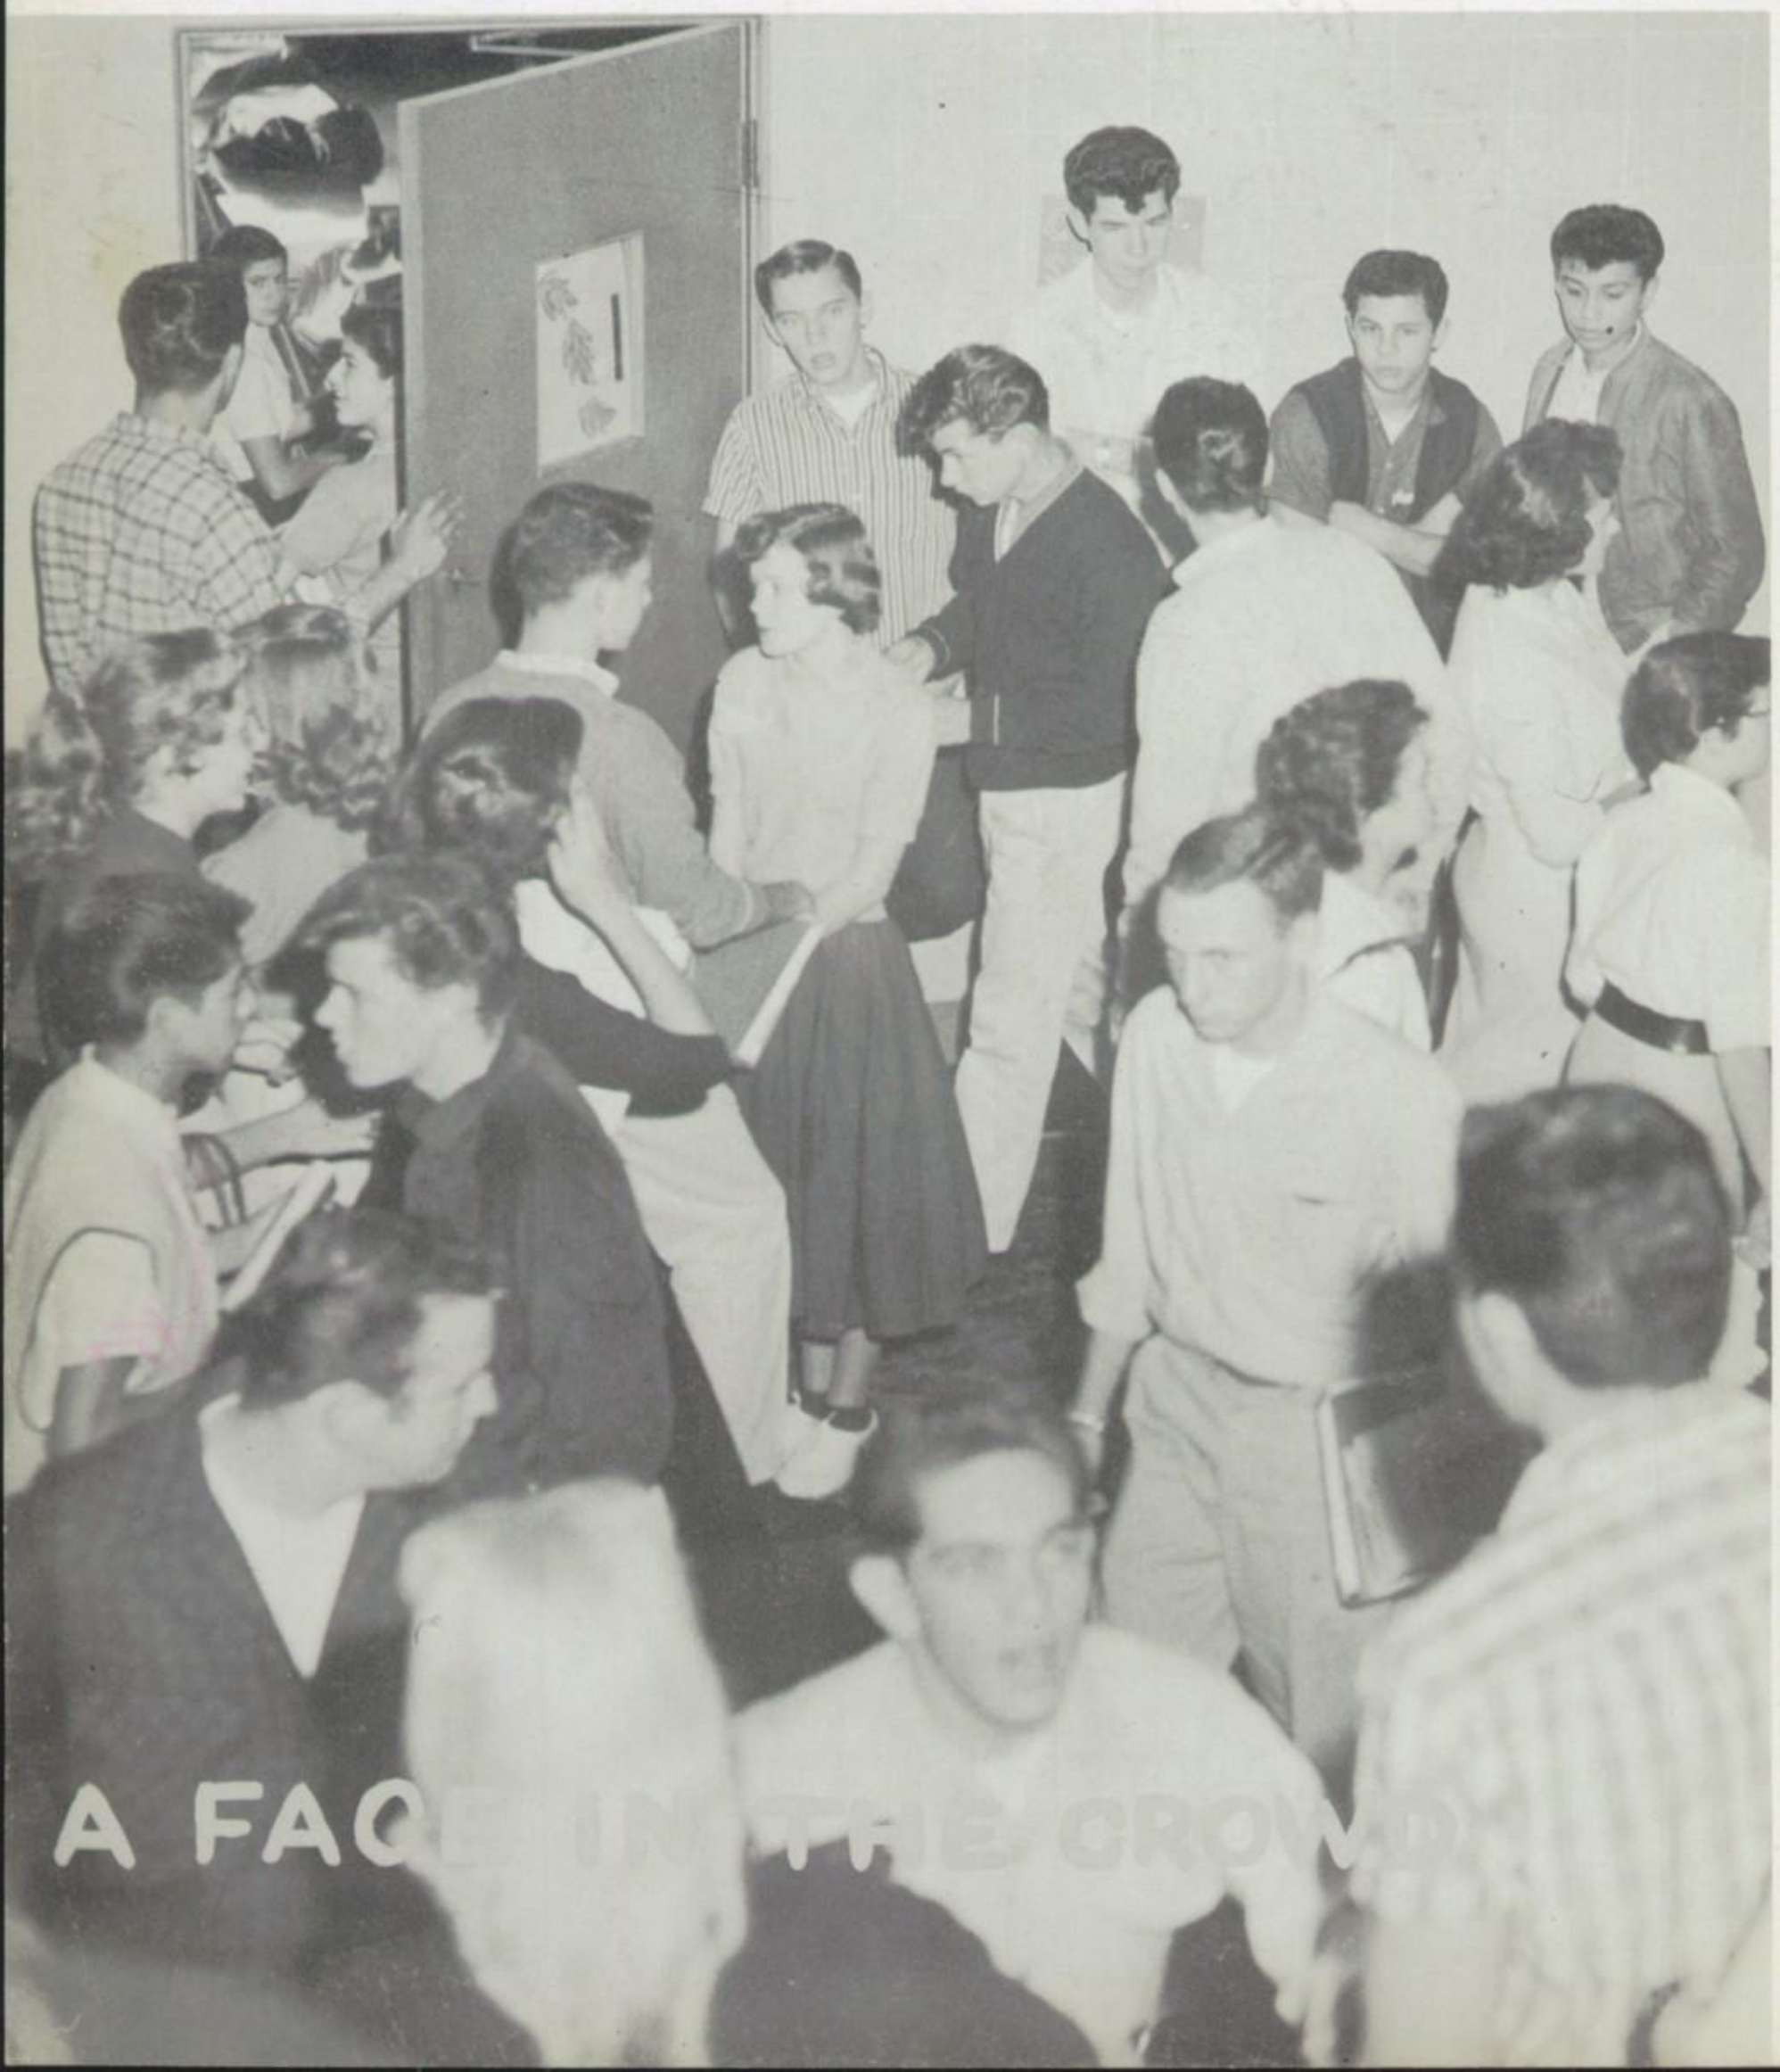
All hail to Abraham Lincoln High.
Our school of honor and beauty.
That bears a name on which all can rely.
The symbol of courage and duty.

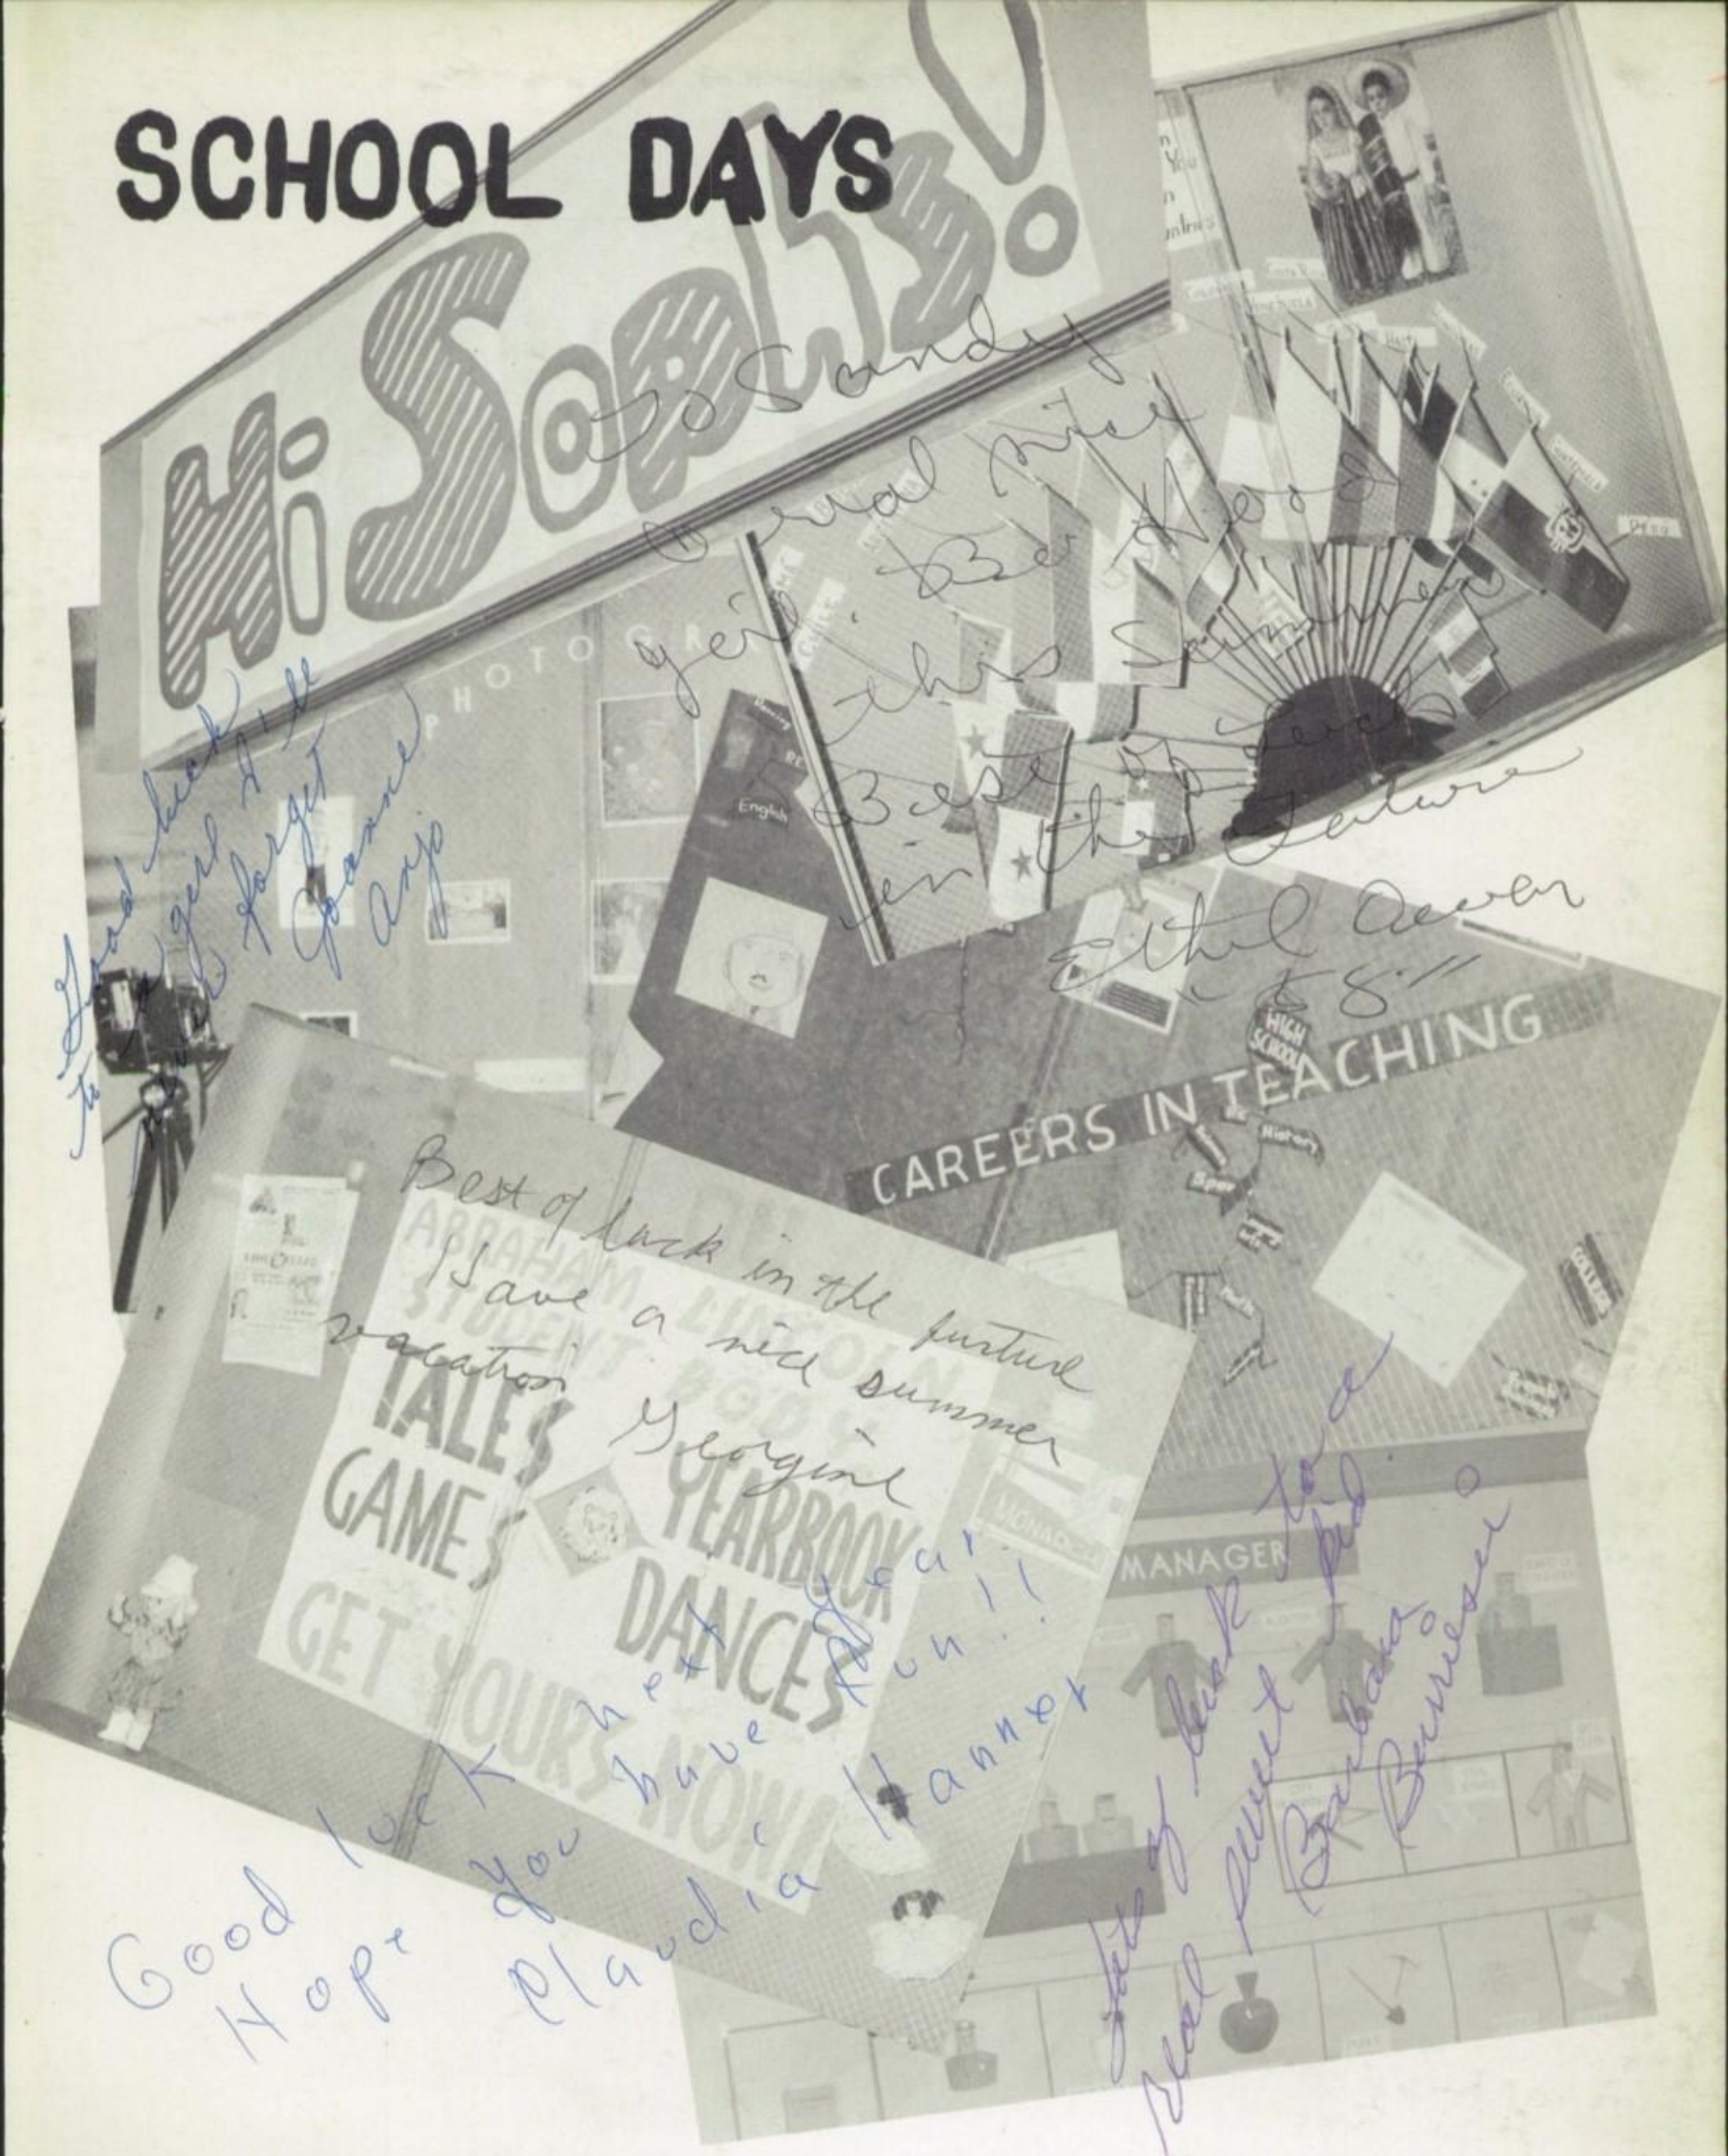
We've made our own, his motto Do-Right.
And claimed democracy forever.
To rule our school with justice and might.
All hail to Abraham Lincoln High.

The 50's will be long remembered as the "Rock 'n Roll" era, just as the 20's is known as the "Jazz Age." Since we are ending the fabulous 50's, this being the year 1958, we thought it would be quite appropriate to have music as the theme throughout Lincoln's Monarch of 1958. To name a few of the singers who have had the opportunity to reign as King during the past year are: Elvis Presley, Pat Boone, Tommy Sands, Fats Domino, Jimmy Rogers, The Everly Bros. Jerry Lee Lewis, and Sammy Cook. And from these singers have come some of the songs that will be identified with the "Rock 'n "Roll Era". Just as in twenty or thirty years you'll be seeing imitations of the "Rock and Roll Era" on television, when in the future for "Sentimental Reasons" when you thumb through this Yearbook, you will be reminded of many past experiences which parallel the experiences your parents are now enjoying.

"Chances Are" that if you're walking through Lincoln's "Wild with the Wind" halls, you'll see many "Silhouettes". As we "Stroll among the students, we see many "Teen-Age Queens" such as; "Julie", "Johnnys Dream"'; "Joanne", "Josephine", "Peggy Sue", and of course that "Good Golly Miss Molly." Oh, oh! — there's that "Woman from Liberia", the English teacher, yelling "I Beg of You' —' Come back to class!! Well, back to those "Magic Moments" with Mr. Hunter.



SCHOOL DAYS



"A Little Bird" who learned "The Walk" came "26 miles" just to see our outstanding bulletin Boards. Why, "henrietta" even broke her "Blind Date" in order that she would be able to see them for hereself. Throughout the year we had bulletin boards that delt with our annual Magazine Drive, March of Dimes, Homemaking and doozens of others which helped to decorate our school halls.

A WHOLE LOT OF YELLING GOIN' ON !

"Shake a Hand". And "Sing, Boys, Sing". Where are we? At a Lincoln rally, of course. "Hey Little Girl" — Con't just set there, get in the Spirit of things and Yell!!! In the above picture, we see the crowd who cheered on our team at the Big Bone Game. Although "that other crowd" thought they were so tough and had to beat as far as spirit was concerned — we really showed them with our terrific card tricks. Fun and food were had by the Lincoln Lions (with the exception of the team). But "Look to the Future" boys.

To a real
swell Pal
Good Luck and
best wishes
always.
Mary

Here we see the "Little Blue Men" stomping to the "March of the River Waiu". Our music department was real "hep" this year and there were many students who received awards and placd in contests. Our congratulations go to those students who have made our Music Department what it has been this year — great!! But we mustn't forget those cute girls in "Short Shorts" of course, I mean the Majorettes, who so very ably brightened up our Band with their baton twirling.

THE COMPOSERS

Our Conductor, here at Lincoln, is Dr. Kennedy. He has been primarily responsible for Lincoln being where it is today — ON TOP.

Mr. Covell, who is our Dean of Boys, is seen here, having a little heart to heart talk with Genen Cockran about "Peggy Sue".

This is Mr. Hunter, who is our other Dean of Boys, who is giving Jess Perez a little talk entitled "Just Between You and Me".

Our Dean of Girls is none other than Mrs. Clark. She is saying "It's Later Than You Think" so why don't you "Wake Up Little Suzy.".

SENATE

There are two words that really describe our Senate "Oh Boy!" Their main problem being the "Telephone", too much chatter, has been going on. Seriously, this year, the Senate has passed the budget, allowed us to increase our Spirit Leaders, appropriated money for our portable bleachers, and the most important thing is that they have taken care of our trash problems on Calavaras and off campus grounds. And so to you, our Senate, we dedicate this song "You're the Greatest!"

SENATE

Our Senate was heard shouting "Don't — say no to Senior Privileges. Some expressed the desire to say "A Farewell to Arms" to our Do-Right system, but the majority replied "Ain't That a Shame" because DO-Right is right for Lincoln. And then there was that "Sweet Little Sixteen" crowd who wanted to hear "Rock 'n Roll Music" while they are eating — simplified, they wanted a new jukebox. On the whole our Senate for the Spring Semester was "Breathless."

Sandy, you're a swell girl to get along with.

SPRING STUDENT BODY OFFICERS

FALL HONOR SOCIETIES

C.S.F., the Califonia Scholarship Federation, is one of our honor groups that requires a good deal of work and effort on the part of the student. Ten grade points are required in order to qualify for membership. Mrs. Barnard is the advisor. And that handsome lad, John Chapman, is President?

Also on this page is our other honor society — Golden Axe.
The President for this semester is Sandy Home.

GOLDEN AXE

Tom Worell, Don Lillo, Bill Lamon, Sandy Home, Lynn Stoshner, Pat Belardes, Sue Niles.

C.S.F.

SPRING HONOR SOCIETIES

In order to be a part of Golden Axe, 550 points must be earned from extra-curricular activities. One point is given an hour during school, three points out of school. If the student plans to go on to college, having been a member of Golden Axe means a feather in his cap. Miss Fowler is the advisor and their able President is Bill Morgan.

To have been a member of C.S.F. is also a good merit to have on college applications.

FALL SPIRIT LEADERS

Pom Pon: Joyce Bianco, Joan Jacobus, Linda Carter, Linda Pizzo; Head.

Cheerleaders: Priscilla Thomas, Louise Delaney, Head; Ellen Heller.

During the first semester it seemed as if our cheerleaders were "Just Born" to lead Lincoln in the school yells. Thos e fabulous cheerleaders were Louise Delany, head cheerleader; Ellen Heller and Priscilla Thomas.

"Could this be Magic?" the pompon girls were the most! Head pom pon girl was that cute little bobby soxer, Linda Pizza; Joan Jacobus, Linda Carter, and Joyce Bianco were her able assistants.

"Br — — — Black Slacks", yes it's Linclon's own pep leader, Henry Rubio, who gave the Lincolnites a "Pepper Upper" — known as "Raunchy". The end of '57 and the beginning of '58 meant only one thing for the spirit of Lincoln that it was going up, up, up to the top and all the way for Lincoln victories.

Committee Chairmen: (First row) Fred Alsted, Stan Bonacorso, John Chapman, Sandy Home. (Second row) Tom Worrell, Sue Lovely, Trudy Helwig, Carolyn Morriss, Rita Perry.

Committee Chairmen: (First row) Tom Worrell, Sue Lovely, Trudy Helwig, Carolyn Morriss, Rita Perry. (Second row) Fred Allstad, Stan Bonacorso, John Chapman, Sandy Home.

SPRING SPIRIT LEADERS

When pep leader, John Barnes "Stood Up" at the rallies the crowd was "All Shook Up" with hoo-rahs. Why, with the way that "Dear John built up our enthusiasm you'd think that we were "At the Hop". Then there was head pom pon girl, Claudy Lambert and her "Witchcraft" of spirit, plus Cathy Feliciano, Carolyn Hamil, Mary Alice Williams, Sue Yarnell, and Sally Camou, who served as terrific pom pon girls.

Cheerleaders: Sue Lovely, Priscilla Thomas, Head; Pundy Vega. Camera Shy: Tam Eskandanian.

"Why Don't They Understand" — Yell??? and who could forget "The Strolling" cheerleaders. As head cheerleader, Priscilla Thomas led the Lincolnities in "Dee Dee Dinah" the other cheerleaders, Tam Eskandanian, Sue Lovely, and Punky Vega, and of course our Lincoln Lions joined in with "La De Dah". And so as the second semester ended we had another "Pepper Upper" known this time as "Boney Moroney" instead of the usual "Yellow Dog Blues".

Committee Chairmen: (First Row) Jess Perez, Lee Cox, Warren Allen, Rich Hosley, John Chapman, David Boehme, Bob Waters, Ken Neal, Abe Belardes. (Second Row) Marion Zingham, Trudy Helwig, Jane Kellenubrger, Joan Jacobus, Georgiana Gomes, Sigi Burke, Kathy Krough, Sheila Miller, Karen Hoffacker, Janet Garner.

When you hear someone mention our school newspaper the Lion Tales what comes to your mind? The cute boy that writes the sports page or that short girl with the pony tail who digs up the gossip? Have you ever thought about what the words "Lion Tales" means?

Here, let me show you my definition—

L stands for Lincoln, our school.
I is for the interest that everyone has in it.
O is for the "o" in "gossip".
N is for the news that our Lion Tales brings us.

T stands for the "Tales" that our newspaper staff writes.
A is for the sports page which tells us how our athletics are doing.
L stands for those long school days that seem to last an eternity.
E is for the gossip — "enough" said about that!
S is for our school newspaper which brings to us the current news, gossip and "tales" of Lincoln.

At this time we would like to extend our "Thanks" to Mr. Bloom because with his help and advice our "Lion Tales" were the Most!!!

This is the Monarch Staff of 1958. These are your fellow school-mates who did such an outstanding job of composing your Yearbook of '58. We, on the Monarch Staff would like to dedicate this number to those terrific seniors of the year, nineteen hundred fifty-eight. And may the forthcoming years bring Lincoln song writers, singers, and composers many of the number one hits of the country.

During this intermission we would like to remind you that without the assistance, guidance and full co-operation of Mr. Oeschger, our advisor; Mr. Fisher, and his school photographers; and Tony Rose of the Rose Studio, the composure of this book would not have been possible.

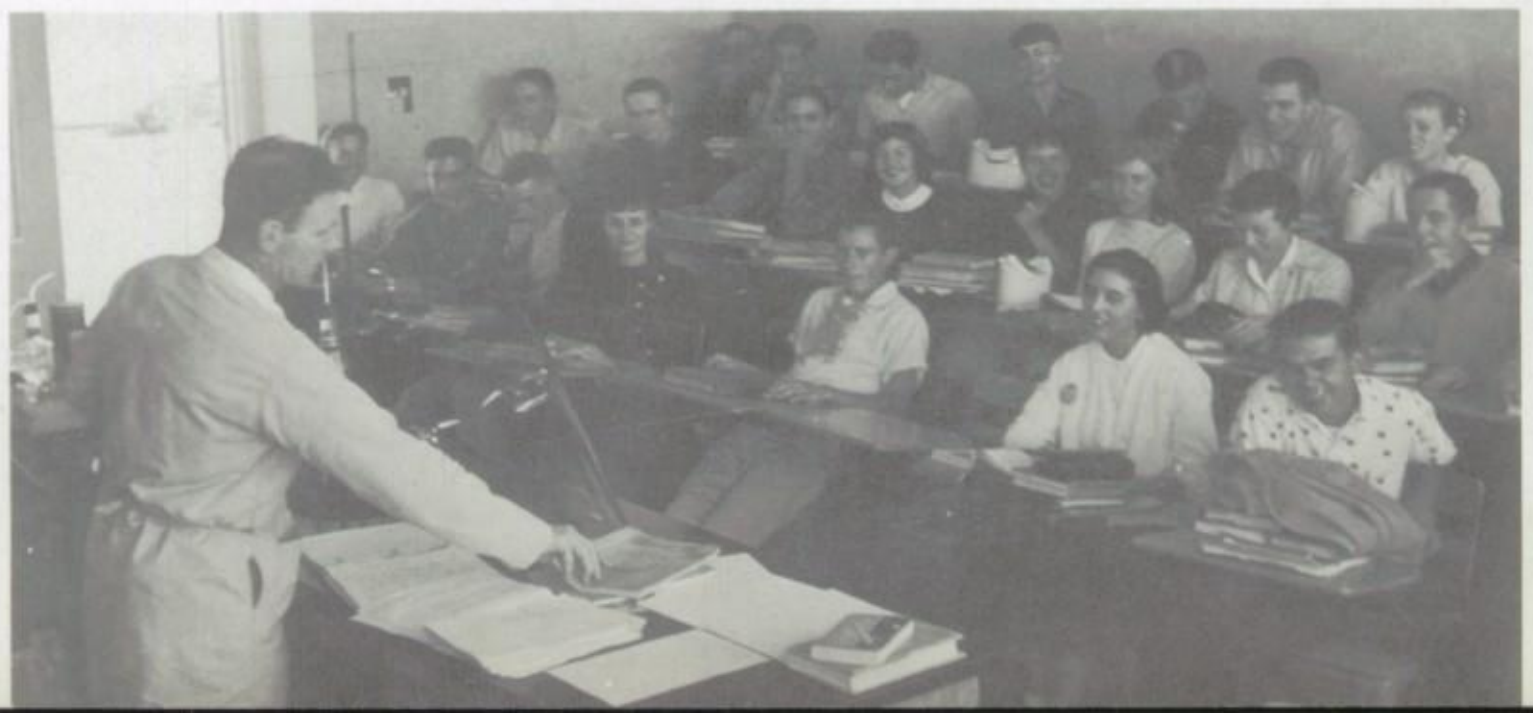
CLASSES

Sandy, This is to a girl I've known all year & still don't know her last name (HAHA) Good luck in your Junior year. Always a friend Sophie Archuletta

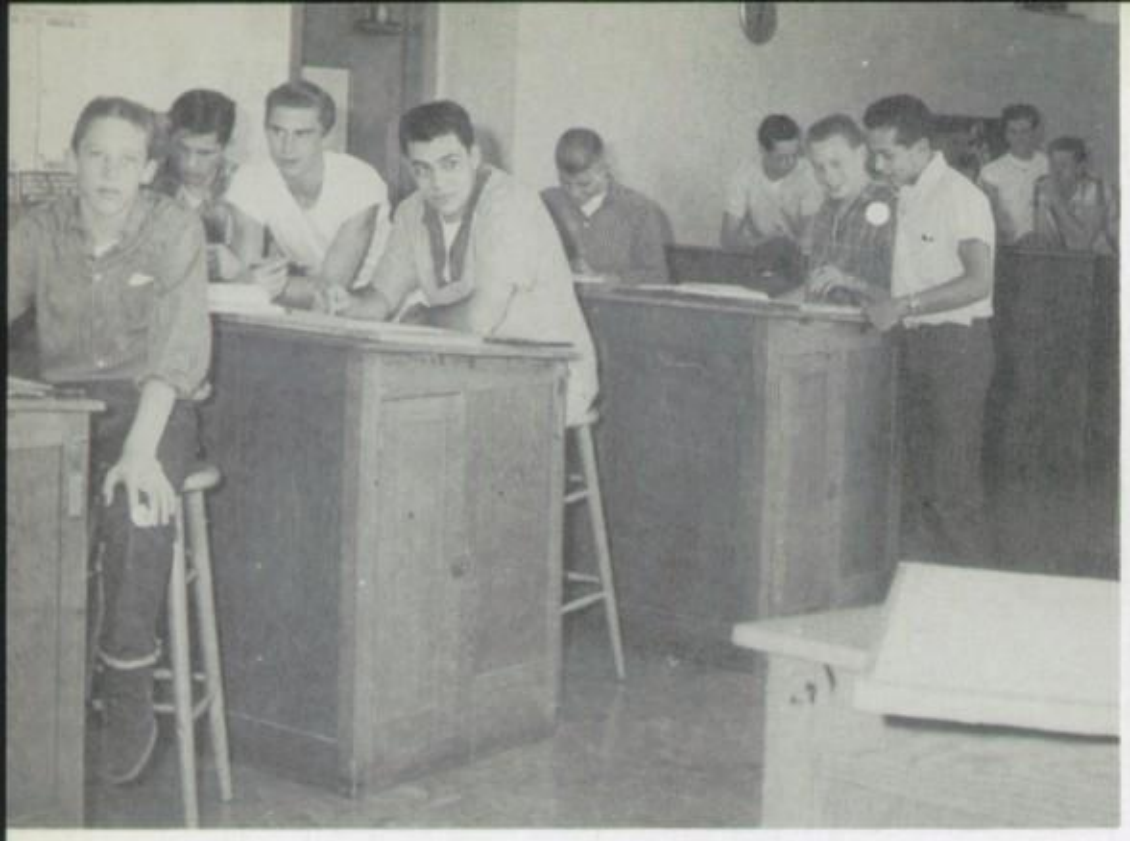
SCIENCE

The science department at Lincoln offers a varied and interesting program. Chemistry, Physics, Physiology, Biology, and life Science are the sciences offered. This program offers life science, a science to give the student a basic understanding of the world in which he lives. The specific sciences are usually taken by those continuing in the science field.



MATHEMATICS

Lincoln's mathematics department offers a particularly good program. The course includes first and second year Algebra, Plane and Solid Geometry, Trigonometry, Basic Math, and Economic Math. Care has been taken to provide the student who will not attend college with a good basic understanding, and also to prepare the student who is taking a college preparatory course of study.



DRAFTING

Drafting at Lincoln is elective for all students. Recently more girls have been interested than in past years. Students with experience are scheduled in advanced groups.

The beginners learn the use of drafting tools and methods, as well as "blueprint" reading. Advanced students study the various methods of describing objects to be constructed. Some areas of specialization such as structural, mapping, layout, and detailing and welding are covered.

Each year a drafting field trip is made to explore some special phase of work represented in the San Jose area. Last year the Westinghouse Plant was visited. In the spring a commercial draftsman or engineer comes to give a talk and answer questions about the work he does for his company.

In all, the classes give Lincoln students an opportunity to gain Industrial Arts experience in drafting or pursue their interests in becoming a technician, engineer, or draftsman.

AUTO SHOP

The course in automechanics at Lincoln High School is designed to be a part of the curriculum of a general education. It is distinguished from vocational education in that it is not specific occupational training. It is, however, an opportunity for the pupil to acquire a more general knowledge of the automobile and its allied occupations.

The Shop itself is set up in the form of a lab in which the pupils study the different components of the automobile and work on a bench model of the component being studied. The student not only gains a knowledge of the automobile but he also learns to work co-operatively with his fellow students, he learns responsibility by cleaning up after himself and others, and he learns to undertake and solve problems with his own initiative.

WOODWORKING

The woodworking laboratory develops a degree of skills in the use of tools, machines, in speech and mathematical techniques as applied to the woodworking area. It provides for development of creative thinking and problem solving approach. It also provides the opportunity for the pupil to explore his aptitude and abilities. The develoment of salable skills is one of the chief functions of the woodworking laboratory. It provides information about and exploratory experiences in basic processes of different industries so that the student may more wisely choose a future vocation, and for those who have chosen to provide a measure of occupational training.

ARTS AND CRAFTS

The arts and crafts program offers classes which vary from the usual. These are Home Art which deals with interior decoration and such, and Lion art which performs many services for the school. In the craft courses wood carving, plastics, mosaics, and leather work are only a few of a great many projects into which the students enter.

Joan

DRAMA

The drama course at Lincoln gives to the student the basic fundamentals of stage production. Besides actual acting it offers the history of the stage, costuming, set design, makeup and lighting. Our students have gained for themselves a fine record in outside productions and contests as well as in our school plays.

RADIO — TV ARTS

Radio - TV Arts is an elective class which offers fine training in speech as well as practical experience for vocational training. These classes produce many plays and documentaries for local stations and also for our own school use. Behind the scenes the basic principles of producing, sound effects and script writing are taught.

ENGLISH

The English department at Lincoln offers the student an adequate background for further study in Language Arts. English is a requirement for the Sophomore and Junior years, but it is offered as an elective for the Senior year. The course of study in Senior English is mostly college preparatory work, but it is also a good foundation for any one going on to work after graduation.

The Journalism class offers a good training program for any one interested in this type of work.

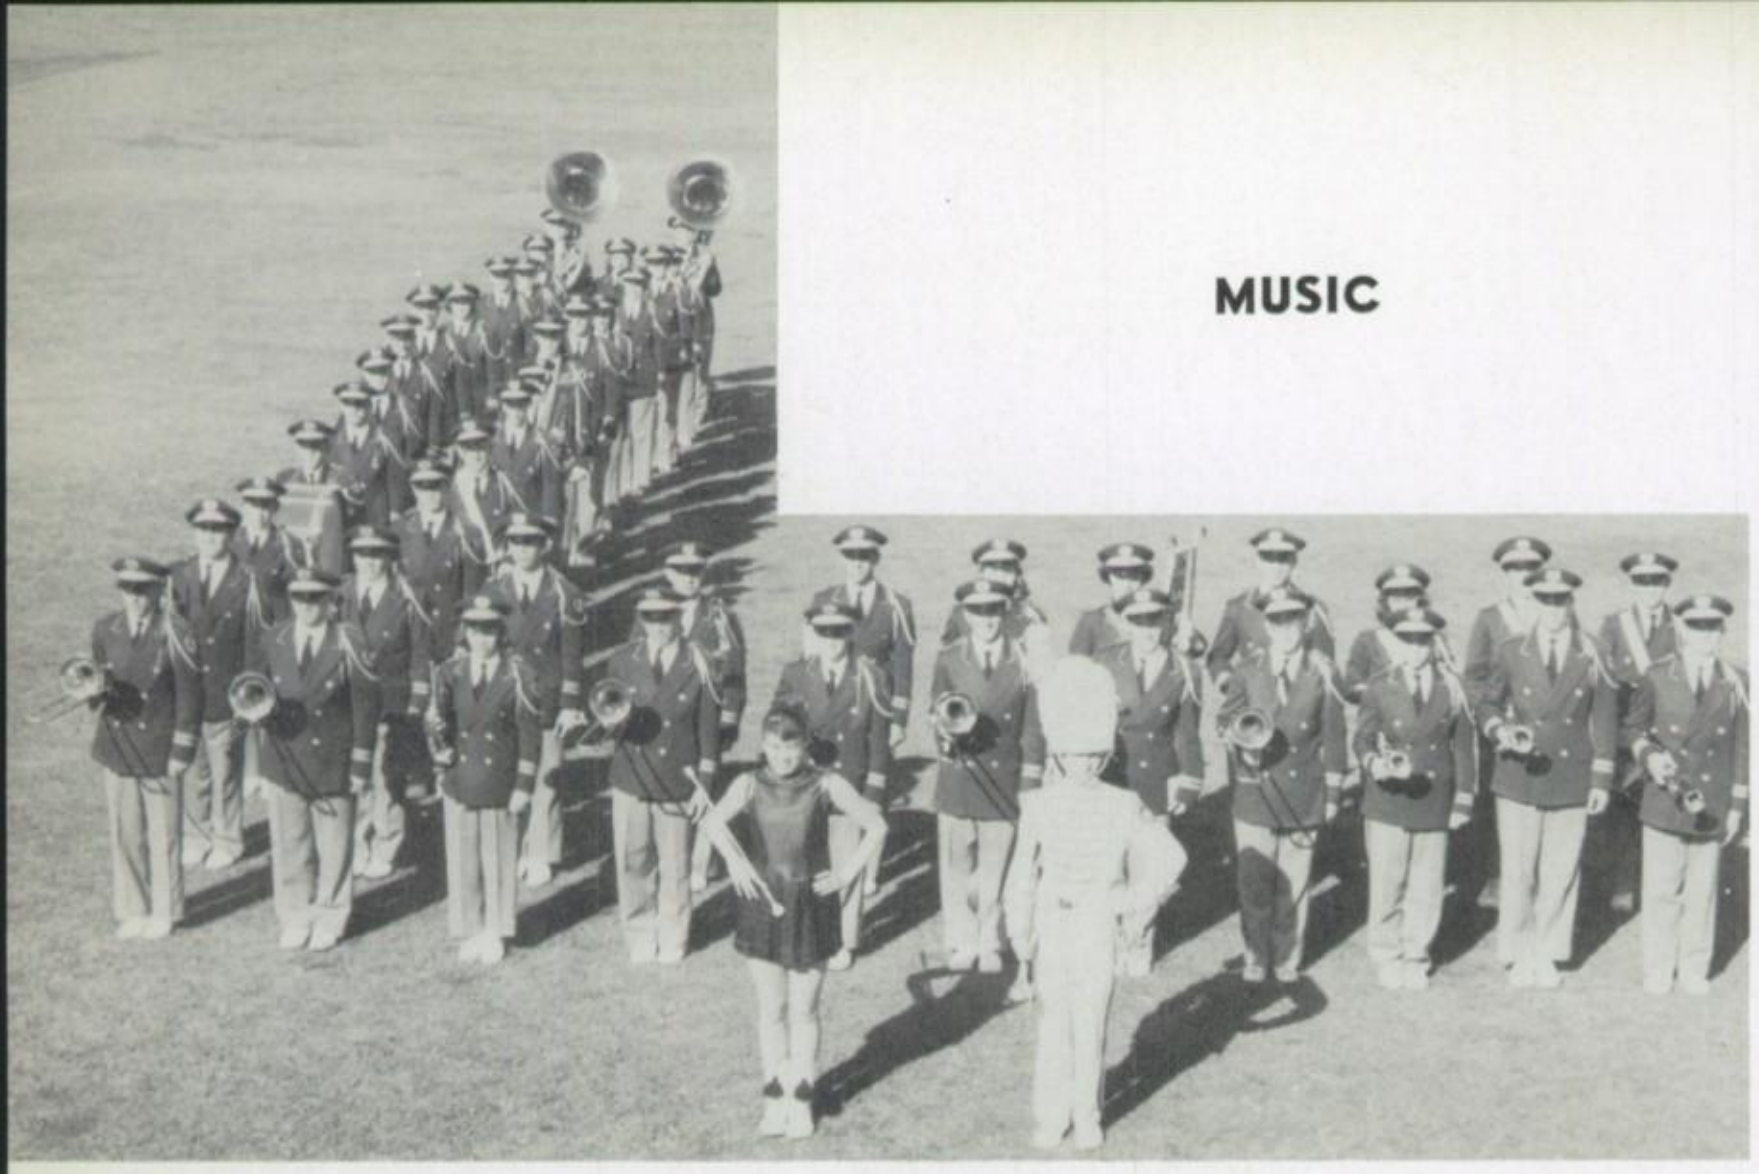
Good luck Sandi
Gail Cuthbert

BUSINESS DEPARTMENT

The Business Department at Lincoln offers a very sound basis for future business careers. It also encourages as many as are able to take some of the social business courses.

Many academic students take such subjects as Advanced Typing, Shorthand, Clerical Office Training, and Bookkeeping even though they are usually thought of as vocational courses.

MUSIC



Lincoln has a music department which is divided into many parts. It offers such things as orchestra, choir, music theory, and band. This department entertains for school assemblies, outside functions, and for their own enjoyment. The band also helps to increase the spirit at rallies and sports events. We cannot help but be proud of the outstanding job our music department is doing here at Lincoln.

LANGUAGE

Our Language department at Lincoln offers to the student Spanish, Latin, and French. To develop the ability to speak and understand the language is the goal of our language classes. To obtain this goal we use such things as skits, oral reports, and songs of the native country.

SOCIAL STUDIES

Social studies is a graduation requirement at Lincoln and has to be taken for three years. During the sophomore and junior years United States History and World History are covered while the senior year is dedicated primarily to the study of Local, State, and Federal governments. Also included as graduation requirements in the Social Studies program are Drivers Education and First Aid.

AGRICULTURE

The Agriculture Classes at Lincoln offer an exceptional program. The purpose of this program being to train boys for professions relating to agriculture. Each pupil has the actual experience of taking care of an animal or carrying through a small farming enterprise. The boys participate in the F.F.A. organization, parliamentary procedure contests, regional and state conventions, project competition, and public speaking. Field days are held to train the boy in leadership, co-operation, and citizenship.

HOMEMAKING

The courses offered by our Homemaking department are Foods and Nutrition, Clothing, and Senior Homemaking. These courses are designed to aid and prepare a girl for growing up. Senior Homemaking helps one to understand marriage, family relations, child care, home nursing, home furnishing, and consuming. All of these will be of great value to her in the future.

Our 20's team did exceptionally well this year, although they placed fourth. They played well as you can see by the scores. They lost six games. They lost two by one point. One in an overtime by three points and another by three points.

CROSS-COUNTRY

Left to right, Coach M. Checi, D. Brown, L. Bunker, E. Toms, T. Engdalh, H. Rubio, B. Morgan, C. Flora, G. Gutman.

The team standing was better this year, in time records by about twenty seconds. The team placed second in the N.C.S. which was the same as last year.

Here Ted Engdalh and Henry Rubio are shown running towards victory.

Charles Flora is shown taking lead, with Bill Morgan moving up from behind.

Juniors who placed were: John Barnes, 2nd Novice; Frank Strouse, 2nd Novice; Fred Santos, 2nd S.P.A.L., and Bob Martinez, 2nd Novice, 1st S.P.A.L.

This year's wrestling squad was quite an improvement over last year's by placing third in league competition, and by placing third at the S.P.A.L. Finals at Carlmont.

Above is shown Loren Marburg, who is pinning his San Jose opponent.

To the left Fred Santos pauses before pinning his opponent.

VARSITY BASKETBALL

Our varsity basketball team did very well this season, with returning lettermen Rich Hosley, Bruce Cassell, Don Carlson, and Bill Moyers. The team won everyone of it's games except one, which was against Menlo. Lion players which received additional honors were: Rich Hosley, Bruce Cassell, and Bill Moyers who were one of the top ten scorers in the S.P.A.L. standings.

Hosley, Cassell, Carlson, Moyers and Aguirre all played excellent games and came through when those few extra points were badly needed. We can look forward for a great team next year, with Bill Moyers leading the team.

Here it shows B. Cassell taking the ball away from a Willow Glen player.

30's

BASKETBALL

Here is your thirties team in action.

Our Lion thirties developed into a strong team under the direction of Coach Wes Stevenson. Gene Cachran our star player, played a good season. Paul Buittita a strong rebound man also had a good year. Gene Cachran was on the ALL CITY TEAM and Paul Buittita got an honorable mention. The team next year will do very good with the returning Juniors and Sophomores..

TENNIS

First row: left to right: Bill Morgan Jr., Bill Moritz, Roland Nissen, Jerry Underwood, Larry Hughes, Vern Frost. Last row: Jess Perez, Glen Munson, Wayne Hiatt, Bob Waters (mgr.), Larry Edwards, Warren Allen, Manuel Magellon, Ron Allen.

The tennis team expect a fairly successful season. The squad has improved over the one last year. They were also aided this year by returning lettermen; Bill Moritz, Jerry Underwood, Bill Morgan, and also by their coach Mr. Boland who took time to train them.

Below Roland Nissen is shown training for the S.P.A.L. Finals.

VARSITY TRACK

Left to right, First row: R. Arigoni; D. Landes; G. Mendoza; A. Tucker; M. Jackman; C. Flora; H. Rubio; E. Savola. Last row: B. Reek; D. DeLaRosa; M. French; J. Trent; R. Hilts; D. Carlson; T. Engdalh; B. White; M. Moran.

Although handicapped by the shortage of men our track team gave a pretty good performance, and by the able supervision of Coaches Lee Cox and Wes Stevenson we made the most out of what was available.

B and C TRACK

Left to right, first row: M. Long; L. Zomora; J. Barnes; B. Bussy; G. Abode; M. Lewis; P. Uchida. Second row: M. Burns; G. Caston; C. Kappen; P. DeMare; T. Shannon; T. Worrell; K. Badger; M. Apra.

VARSITY BASEBALL

Left to right, First row: L. Magallon; R. Aikman; P. Cavitio; R. Blonder; E. Gutteriz; F. Santos; B. Garcia. Second row: J. Chapman; L. Marburg; G. Yamisaki; A. Aquirre; R. Mckensie; W. Allen; A. B. Bererra; J. Masafero.

The varsity consisted of nine seniors, five juniors, and one sophomore. Altogether they formed a mighty powerful squad.

The varsity baseball team was fortunate in getting a top notch coach. His name is Mr. Richards, who was just replaced in the army by a fellow named Elvin Pelvin.

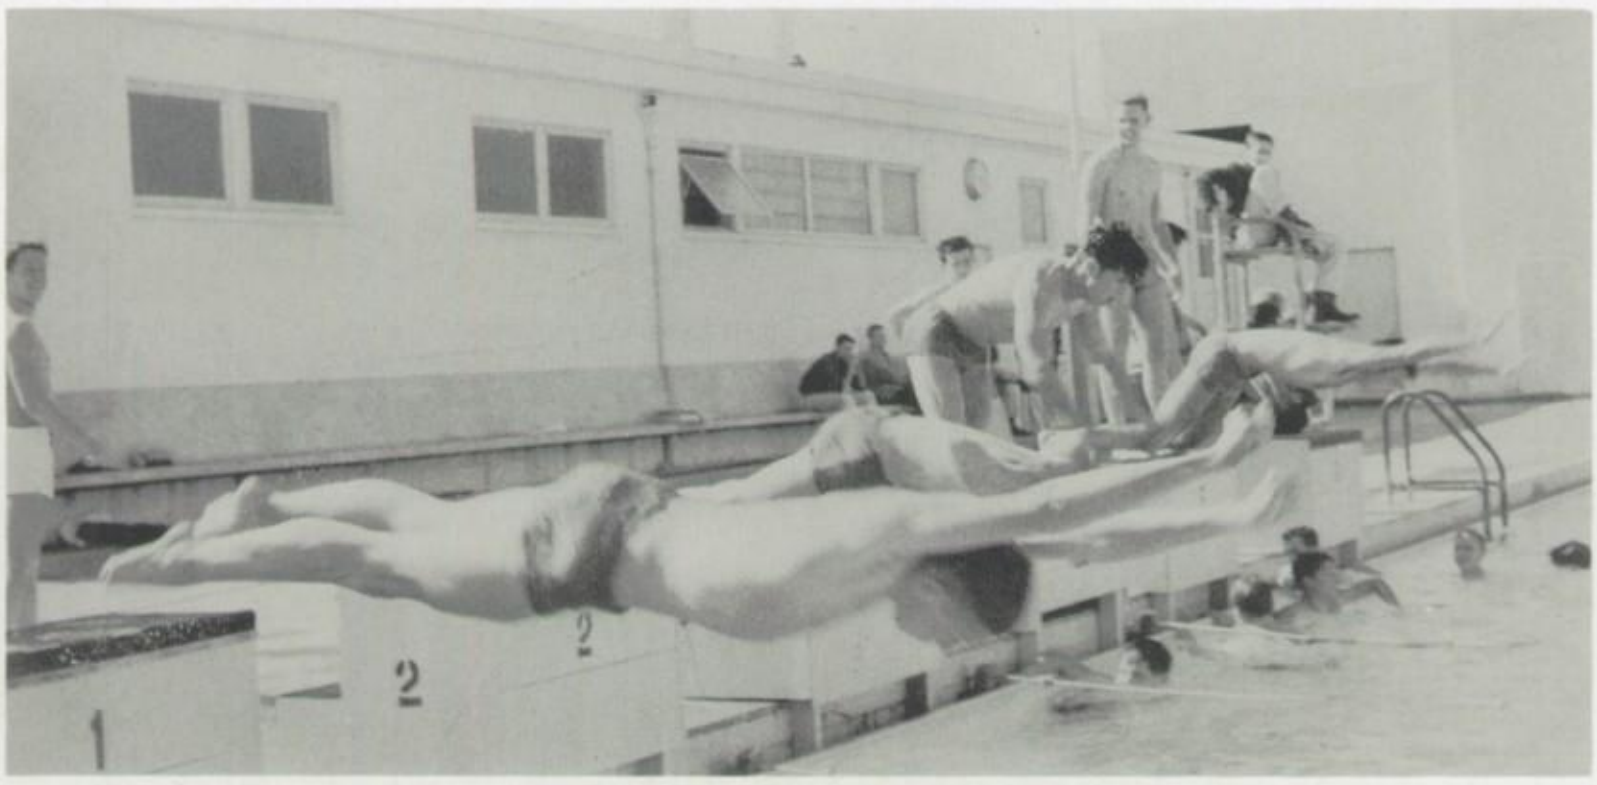
SWIMMING

Left to right, First row: E. Talburt; L. Staght; M. Koehler; C. Wells; D. Quinn; D. Lorette. Second row: P. Fransham; F. Strouse; D. Stadler; S. Lambrecht; T. Kluge; T. Neimamn; J. Ferguson; J. Newfarmer; G. Morrison; K. Howel. Third row: R. Squatritto; J. Siwdell; B. Norma; R. Costa; J. Whitehead; M. Daugherty; J. Weinbrock; P. Neilson; L. Daubek; Al Casey; R. Williamson; N. Pace.

Our swimming team did much better this year by winning two of its matches. The team was led by coach Eric Larson, a excellent swimmer himself. The top swimmer on the team was J. Palson who does the 50 yard sprint in 26 seconds, J. Whitehead, D. Lambrecht, and M. Daugherty are good prospects as Sophomore swimmers.

This picture shows four of our men in a racing dive.



GOLF

Left to right, First row: D. Beaulieu; J. Bush; A, Piazza; S. Hewitt. Second row: J. Catanese; T. George; L. Fhaler; G. Gattueio; M. Fatjo; B. Specelli. Third row: K. Neal; R. Hosley; J. Nelson; J. St. John.

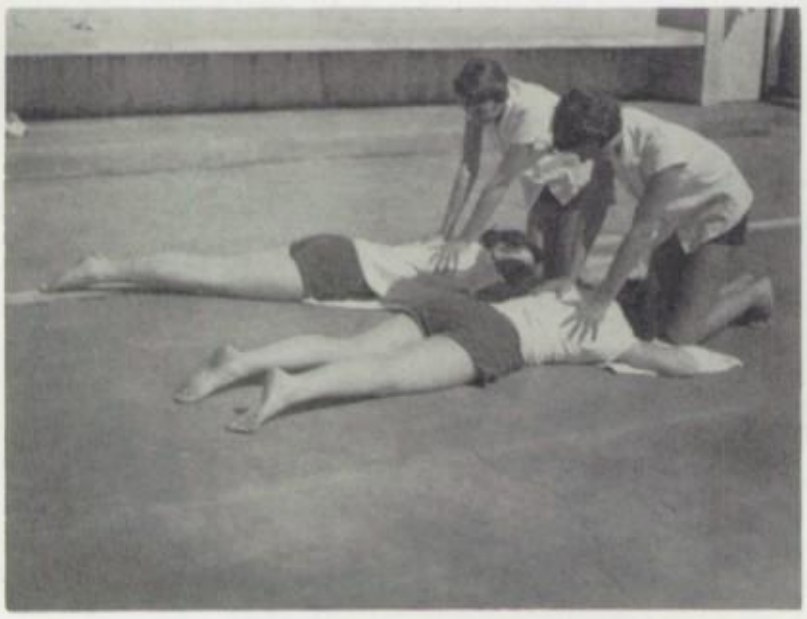
The Golf team although played a better season than last year, was much smaller than last year's. The team had many fine players, such as Ken Neal, A. Piazza, and Tom George who played even better games.

This shot shows A. Piazza trying to hit the golf ball.

G.A.A.

The girls shown are the ones who participated in the Girls Athletic Association.

Members of the G.A.A. Board (below) are: First row: left to right: Darlene Willoughby (badminton mgr.), Anita Bueno (reporter), Jenny Villegas (president), Pat Belardes (basketball mgr.), Diane Coelho (tennis mgr.), Second row: Willie Alvarez (treasurer), Edna Brown (vollyball mgr.), Linda Carter (dance mgr.), Karen Pope (secretary .) Third row: Mrs. Stillman, Mrs. King, Miss Costa. Missing: Diane Jelcick (tennis mgr.), Ellen Jung (lifesaving mgr.), Doxey Ransom (swim mgr.), Raylene Bray (vice-president).



Lifesaving is an important phase of G.A.A., and most of the girls are senior lifesavers.

The girls get a big splash out of diving. They do various dives, trying to learn as many as possible.

Diving is taught to the girls before they receive their senior lifesavers certificate.

Pictured below is the G.A.A. swim team. To the left of it is a snap of the G.A.A. aquacade.

ACTIVITIES

"They're wunerful, wunerful." Yes, that's what everyone said about the terrific card tricks at the Big Bone Game. San Jose was yelling "Peanuts" while Lincoln took one look at the Bulldogs and shouted "The Creature." Our little "Leo" was crowned by a new mane, the color of "Honeycomb." Leo contributed much to the tremendous Lincoln spirit.

ASSEMBLIES

We are sure these pictures will bring back many "Moments to Remember" of the fine assemblies given at Lincoln.

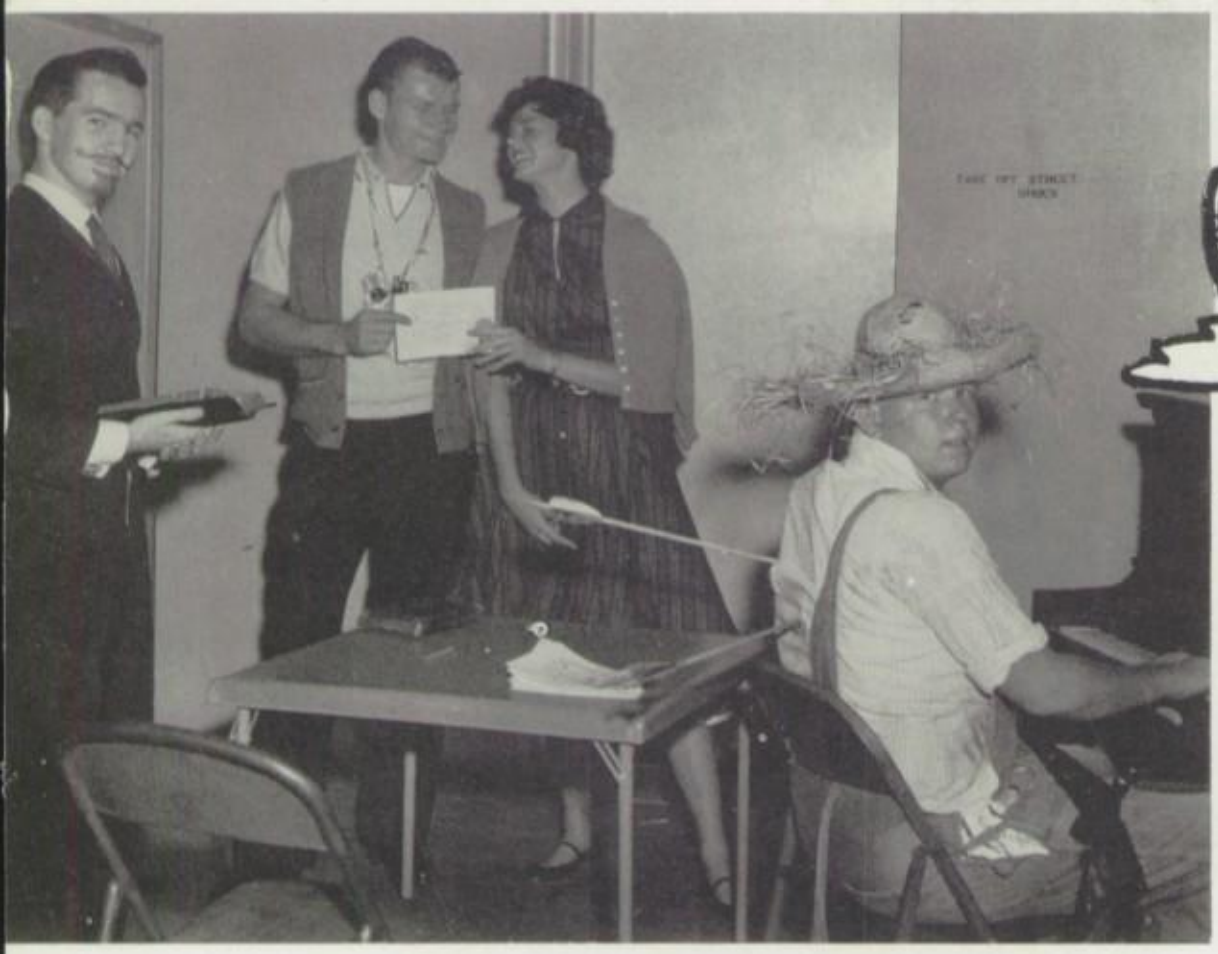
The Reg Dance was held in September.
It was something we will always remember.
Swing Sweethearts was the theme.
The band was really on the beam.
It lasted from eight to eleven.
Everyone was in Seventh heaven.

The music at the Reg dance was supplied by a group of Lincolnites, namely from left to right: Frank Cocazoca, Dave Coronza, Gary Faroli, Louie Oras, Pete Canades, and Brad Dellavalle.



The most popular tune at our annual "Sadie Hawkins Dance" was "I Wanta Be Free!" The dance was held on October 18, 1957. The girls used "Friendly Persuasion" in luring their dates off to meet "Marrying Sam" while the boys kept asking "Why, Baby Why?" But when the dance came to a close, the boys agreed that they'd had "Many Moments to Remember."

THE BIG BONE BALL

The Big Bone Ball was held at San Jose this year. It was anything but "Raunchy". In fact, it was really "Something Cool". The Bulldogs put on some fine entertainment. At the left is a picture of a talented coed with a baton that had lights at both ends. Her performance was very effective. From Lincoln the queen of the Big Bone was Louise Delaney.

THE CHRISTMAS DANCE

The theme of the Christmas Dance was Mistletoe Magic, but everyone will agree that the mood was one of "April Love". It was definitely that "Some Enchanted Evening" come true.

MAGAZINES, MAGAZINES!!

Our annual Magazine Drive was "All Shook Up" with Lincoln spirit! After seeing the trophy which we might win, we sighed "You Are My Destiny". When 3:30 came and school was over for the day Loyal Lincolnites were seen doing "The Walk" from door to door. There was a quota of three subscriptions or $10.00 for each student, those that met this quota were entitled to "Crum Tum's Treat." Also if a quota of $30.00 was met, a free ticket was given to attend "Around the World in 80 Days." Everyone shouted "Hot Diggity" when Lincoln met its quota of $10,000. Our Magazine Drive for the year 1957 was our most successful to date.

While our Magazine Drive was in progress, we had many magazine assemblies — why, even one day Elvis and Pat made an appearance! However, at most of our assemblies we experimented with magazines — which finally, after many attempts, blasted off. (Although off blasted isn't quite the right word.)

"This was the Night" of our now famous A.L.H.S. Operetta! And how terrific it was! Sailors and pretty girls were "Breathless", after their magnificent performance. "Rock and Roll" is here to stay. But so are our operettas. Besides the handsome sailors and pretty girls, there was a "Little Blue Man"—The captain (didn't he have a pretty red beard) and ye ole English man (that boy has rythum, did you notice his cane).

HEY DAY

Hey Day was a tremendous success. A lot of students were seen eating "Cherry Pie" and "Lollipops" — you'd have thought it was a "Picnic". "Don't you just know it" — "Witchdoctor" even showed up!! Following our Hey Day, a dance was held which should have been entitled "We Belong Together."

SOCK HOP

Socks were hopping "At the Hop." "76 Trombones" blew as we danced to "Tequila". Everyone joined in the Bop with different versions, such as "Bop-a-lu" and "Bop-a-lena". "Hey, Little Girl", "Don't" just stand there — "Be Bop Baby'. "Cathaline" "Shake a Hand"! The Sock Hop turned out to be a many splendored thing with the student body saying "I Could Have Danced All Night."

JUNIOR PROM

In addition to the couples shown here, "Joann", "Bertha Lou", "Peggy Sue", "Barbara Jean", and their dates all had a "wunerful a wunderful" time at their Junior Prom. "Silhouettes" of Junior couples were seen dancing among the beautiful decorations. This spring-time, semi-formal dance was a big success for the Class of '59.

JUNIOR PICNIC

Here is the fabulous, fun-filled Junior Picnic. The "water" in the pool was fine so swimming was enjoyed by many. "Bermuda shorts," and "short shorts" were seen among the casual dress of the Juniors. "Good behavior" was displayed by the Juniors attending the big picnic.

SOPHOMORE PARTY

The Sophomores had a very successful party right on the Lion Campus. The Soph's shown here were watching "Short Fat Fanny" and "Boney Maroney" paddling around in the Lincoln Pool. "Chances are" all the Sophomores that attended had a blast.

SOPHOMORE HOP

Seen here are several Sophomore couples dancing the night away at their Sophomore Hop. A fellow with a "blind date" wouldn't have "stood up" his unknown date for the hop. The Sophomores worked hard to make the hop a success and no "teardrops" were shed.

HOT ROD

First row: Charles Doherty, The Shy One; Jeff Anson, Bruce Carlson, Jim Trent, Peek-a-boo, Dave Lawler, Mr. Huffman, advisor. Second row: David Cotter, Bob Ingleman, Ron Himerman, Gary Paradise, The Shy One; Neil Lamphear, Tom Burton, Jack Davis. Third row: Barney Dominguez, Larry Bunker, Gil Frontella, Robert Hall, Frank Portero, Mike Cucio, Loren Lemmons.

THE LINCOLN CLUB

SENIORS

OPEN LETTER TO SENIORS

The year 1957-58, the year of our senior class graduation, has been a most successful one for Lincoln High School.

In the first place we are graduating 308 seniors, the largest number to go out of Lincoln in its history. Of this number, if we hold true to form, between 50% and 60% will go on to college. The others, we hope, have been adequately prepared to take their places in an effective way in the community. I, personally, want to congratulate all of these young people in completing their high school education and I join the faculty in wishing each one success in life.

In the second place, it has been a most successful year in the field of sports, speech arts, dramatics, art and in essays. In these areas we have been in strenuous competition and Lincoln, principally because of its seniors, has acquitted itself in effective fashion; scholarship rolls have had many straight A's and many A's and B's, which speak well for the quality of our students and the quality of our teaching and program at Lincoln.

This has been a year that has climaxed great growth in the Lincoln High School district. From a school of 500 students in 1950, when I first took over the principalship, we have grown to 1200. Next year we will have 1350 students and each succeeding year will be the same story.

As this book goes to press the citizens of the community will be voting on eleven and one half million dollars worth of bonds to provide facilities for this growth and to bring the schools up to standards that our community would like to have for our schools. We look forward in the two or three years to come, if the bonds pass, to twelve additional classrooms, an additional shop, a cafeteria and completion of our landscaping. Our faculty has grown from about 25 teachers to 54 faculty members. This is the story of physical growth; one which you have watched develop and one, which when you become parents in the community, you will have a part in helping to solve.

This has been the year of sputnik, which has aroused more universal interest and caused more anxiety than most any other thing we have had in our history.

Our schools, including Lincoln, are evaluating all of their programs-in truth; the education that you people are getting. We are confident that our students are getting a good education from high school, but our faculty, as school people, will leave no stone unturned to see that they get the best and that they profit from it.

The staff and I sincerely hope that your three years of life at Lincoln have been profitable in every way. We hope you have gained in stature and maturity; that you have succeeded in your work and that you have made many friends. All of these will be helpful to you when you take on adult citizenship in the community.

Good luck and success to you in your future undertakings!

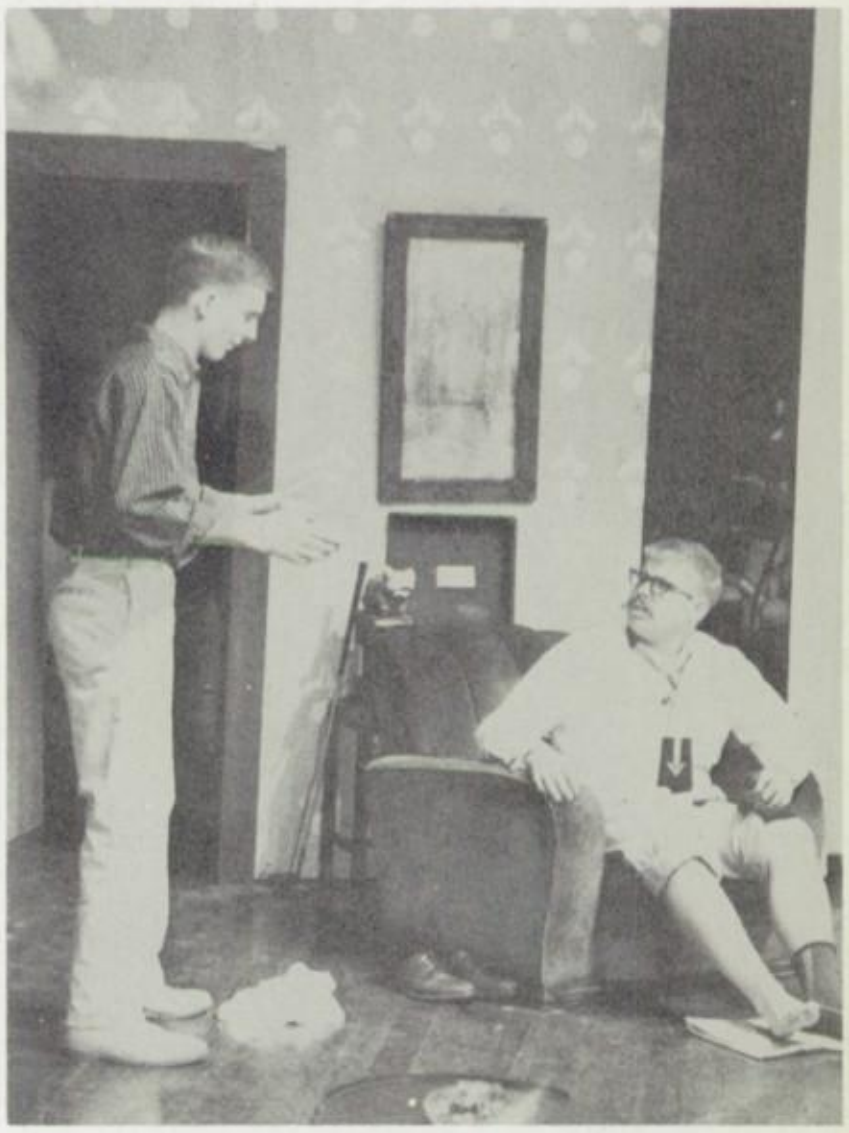
SENIOR PLAY



SENIOR PLAY CAST

Tom Couch	Man From Sandusky
Bob White	Hugo Garvis
Bob McGushin	Chuck Allenby
Jim Feldpouch	Dr. Allenby
Barbara Phelps	Jane Allenby
Cindy Clarke	Jenny
Merna Volle	Barbie
Judy Duff	Mrs. Wagner
Loren Hunter	George Benit
Charles Flora	Bill Allenby
Pat Belardes	Pasty Gardner
Mary Ann Cunha	Hana Hawks
Jill Jonas	Nancy Pumeroy
Todd Cleaves	Jerk From Alburquerque

People "Kept a Knockin" in order to gain admission to our Senior Play, "Seventeen Is Terrific." The play's theme was "Sweet Little Sixteen". The cast was one of exceptional talent and enthusiasm. At the conclusion of the play, many joined in the shouts of "Goody, Goody."

Our Senior Ball was "So Rare", and "A Wonderful Time Up There" was had by everyone. The dance led to the climax of our "Graduation Day." Everyone said their Sayonara'sto their high "School Days" dances.

During the "Long Hot Summer"- "When the Livin' Is "Easy" the Senior "Picnic" was held. There was "Playthings" to keep everyone "On the Hop.". Refreshments —"Cherry Pie" and "Sugar Plums" were among the goodies served at the picnic. The "Picnic" was held at Bolado Park.

Upon becoming a Senior, one of the most important problems, is that of choosing the proper vocation that you will be both happy and successful in. "Maybe" this appears to be easy enough, however, on this decision, perhaps, lies your whole future. "To Get a Job" is not as simple as it seems. Today more people are being replaced by machines and so in order to compete with these mechanical brains, man is required to increase his intelligence. Most jobs, you will find today require a college diploma. And so, when entering college it is extremely beneficial to you to be able to select the proper vocation, and therefore solve a lot of wasteful time. Since this is of the utmost importance, Abraham Lincoln High School takes time out of the Seniors' schedule to provide "Vocational Conferences" for them.

The boys who have chosen professional Athletics must really enjoy wearing "Short Shorts" and "Bermuda Shorts" — all kidding aside, these boys who may some day become a Mickey Mantel, Billy Wilson, Sugar Ray Robinson, or a team member of the Globetrotters, deserve a lot of credit, for they provide seasonal entertainment for the public of America. I, for one, am one of the first to yell when "Summertime" comes along—"Take Me Out to the Ball Game!"

You having chosen Creative Writing as your future vocation may be the one to put into words "The Story of Mankind." Maybe you will be the one who will write our best-sellers and classics in the years to come. If your choice is Creative writing—good luck to you and a best-seller!!

How would you like to "Sail Along Silvery Moon?" or "Catch a Falling Star." I doubt if these dreams are likely to come true, however, through Airline Hostess work you'll be able to see "The Long Hot Summer" from the beautiful "Blue Heavens."

The Police Dept. needs you! These criminals that appear to be "So Tough" need to be shown that as the saying goes "Crime Doesn't Pay." And if they simply refuse to abide by society laws — "The Little Blue Man" will be on the alert. It's interesting work and very rewarding to know that "you" are helping to make a safe world for its inhabitants.

"Why don't they Understand?" which colors harmonize. If more people became interested in Interior Decorating, there would probably be an improvement in their personal appearance and the appearance of their homes. Incidentally, our course here at Lincoln, Home Arts and Crafts, is a good beginning for this ocupation.
